Introduction

This Executive Summary (ES) describes in narrative the Purpose of this ES, Jadara University's Vision, its Mission & Values. In this ES, we have included an overview of the programs that are offered at our campus and some other details about the Facilities and University Population and Community.

Purpose

This Executive Summary is to provide you with a clear overview about Jadara University in Jordan.

Jadara University is located in the northern part of Jordan and caters to all cities around the Area. Not only that, but also caters to Gulf & Neighbor countries. Jadara University offers high education to the community around the region and attracts ambitious students who are willing to enroll in Under-Graduate or Post-Graduate Programs.

Description of the University

Jadara University is a well-known university in Jordan as a Quality Education Provider.

Jadara University has acquired a distinguished position among national and Arab universities in Education through excellent creation and application of knowledge as its **VISION to enrich lives of individuals and contribute to a sustainable development of society**. Lead by Jadara Corporation of Education which is established as a non-profitable educational institution (documents are attached) represented by Chairman of Board of Directors Dr. Shukri Marashdeh and University President Prof. Saleh Oqeili.

The University is accredited by the Ministry of High Education and Scientific Research, a member of the “**Union of Arab Universities**” and a member of the “**International Association of Universities (IAU)**” based in France. Recently the university got certified as a member of “**International Union of Universities (IUU)**” and a member of “**Federation of the Universities of the Islamic World (FUIW)**” as well.

The University is keen to develop its vision and mission continuously through strategic planning and continuous development of its programs and Scientific research in line with the needs of Global markets by qualified Faculty Members and Leaders.

Jadara University offers Undergraduate and Post-Graduate Studies. The University caters to 23 Different Specializations in Undergraduate Program and 7 Specializations in Post-Graduate Program.

Our Mission

To provide a distinctive education that meets the needs of the local, International communities and Global markets. Provide education of excellence in which contributes to economic and social development, supporting students to pursue their own personal integration. Also to create a stimulating environment for research and intellectual creativity by integrating human resource and the use of technology all while allowing openness and communication within higher educational institutions inside and outside the country.

Core values

- Quality and Excellence
- Right of Learning & Education for Everyone
- Justice and Integrity
- Tolerance and renunciation of violence and extremism
- Transparency and Accountability
- Teamwork
- Mutual Respect
- Continuous Education
